¿Quiénes somos?

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English.

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout.

A group of five people are standing behind large, illuminated letters spelling "EBUT". The letters are yellow with white outlines and are decorated with small lights. The group consists of three women and two men, all wearing face masks. They are standing in front of a wooden wall with a large red cross on it. The background shows a sunset or sunrise over a body of water.

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English.

The logo of the University of California, featuring a gold-colored graduation cap (mortarboard) resting on a green base.

A topographic map segment showing contour lines and a green shaded area representing a water body or wetland.

A map of a residential area with street names like "West Hill" and "Highland". A pink shaded polygon covers a portion of the map, indicating the location of the West Hill neighborhood.

A map of a street intersection. The vertical streets are labeled "26th St", "27th St", and "29th St" from top to bottom. The horizontal street is unlabeled. A green shaded area is located in the top-left corner. The map uses a light gray background with white lines for the streets.

Figure 1. The effect of the number of clusters on the classification accuracy of the proposed model.
